

# Letters To LEO

P.O. Box 549, Irvington, New Jersey 07111-0549

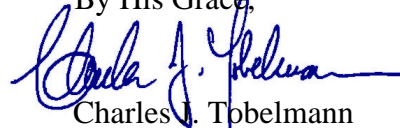

August 2004

Whenever people are serious about studying God's Word, it seems the enemy works overtime to interfere. One of those ways is by student's lessons getting lost in the mail. Pray their letters get through and don't get lost! God is at work in exciting ways in the lives of Roberto, Pablo and Francisco! Your prayers and your gift are making a tremendous difference!

*"How can a young man cleanse  
his way? By taking  
heed according to  
your Word."*

**Roberto** writes from Oakdale, Louisiana worried because he hasn't received his corrected exams with the next lessons to study. "Forgive me if this letter is written before I receive my corrected exams. You always return my exams so promptly and to this day I've not heard from you. So I wait from day to day. If there is some delay, please just let me know if I have to wait a few more days. But, please do write back! Greetings and a big hug for all those who serve in this ministry.

In the love of Christ,  
Roberto

**Pablo** writes, "It was in April 18, 2003 when I received Jesus Christ as my personal Savior. In my five years imprisonment, I've been locked down five times for gang related activities. In all my years I've grown tired of my rebellious life. I came to notice that all those years on my own I made a big mess out of my whole life, until one day in my cell while being confined (lock-down) for eleven months - I broke down, I couldn't do it anymore. It was there in that cell that I poured out my heart to Jesus and asked Him to forgive me of all my sins and burdens, that I was sorry for hurting Him all those years, that all I want to do, from now on is to please Him and to

live for Him, "and today the old man is no more, but the New man in Christ lives today." Amen,

**Francisco** writes, "When I was a teenager of 14, I lived in Vera Cruz, Mexico in a home for orphans and runaways run by the Salvation Army. It was during a visit by the Christian evangelist/singer Frank Gonzalez and his choir that God spoke to me. After the hymns we sang and the message we heard, I received Christ as my only personal Savior! I am now 35 years old and a pastor of the Immanuel Church here in Tamaulipas, Mexico. Praise be to the Lord! I discovered your web page and with great joy downloaded the lessons of the first course and I'm leading the entire adult Sunday School adult class of 17 people through it. Everyone is so excited with this course and can't wait to finish the seven lessons and receive their diploma. We thank the Lord for your ministry and we urge you to continue with the ministry God had entrusted to you. We pray God will continue prospering the work of your hands.
