Fruits of the Harvest

LEO's MEXICO MINISTRY

Evangelistic and church-planting

Thank you for your prayer support for LEO's evangelistic and church-planting ministry in Mexico through the Chavez family. Leonel reports some very exciting ways in which God is at work in Mexico...

Diligently we seek to praise God because He is merciful. He continually sustains us and constantly comes to our aid. We are protected by His Grace. We rejoice because He saved us and walks with us on the way to the full redemption of our souls. We also thank Him for the life we share together as a family.

This summer, the church in Aguascalientes had great reason to pray! Arturo received a medical diagnosis from his doctor about a condition that could have left him blind. The suddenness of the news left us in a state of shock and with tears we pleaded to the Lord for a miracle to occur in Arturo's body. We gladly report that God answers prayer and further tests revealed a serious infection that was easily treated. Arturo is well once again and continues active in the Lord's work.

Our summer campaign in Reynosa was accompanied by very high temperatures. The heat reflected off the ground made it feel like we were standing in front of an oven except that there wasn't pastry cooking in it for us to enjoy! We thank you for your prayers! With great joy we share some of the fruit the Lord gave us:

We presented the Gospel in the street a little differently. We introduced some excellent new materials that helped us communicate the Gospel message a bit more formally. We found new ways of using these teaching materials and the whole team worked more diligently on the objective of the Gospel presentation which is reaching the lost.

Fifty volunteers formed the evangelistic team this time, and we had more couples and families than young people. During the week we had special activities for the team members as well as special programs for both men and women that resulted in great spiritual edification!

We praise God because He brought forth much fruit during this week of outreach. Several families opened their homes for Bible studies and we witnessed several decisions for Christ.

For the encouragement that the Lord showered us with we are indeed happy. For the victories He won, we are extremely blessed. In spite of the attempts of the enemy to discourage us, our conviction to serve Him remains steadfast and strong.

... with great joy!!!

Leonel Chávez Rubio.
